

H.R. 719, the TSA Office of Inspection Accountability Act of 2015, with Senate amendment 2689, the continuing resolution. This measure included a provision providing \$700 million to the wildland fire management account for the U.S. Forest Service in the Department of Agriculture that was designated as emergency funding pursuant to section 251(b)(2)(A)(i) of the Balanced Budget and Deficit Control Act of 1985. The inclusion of this designation makes this spending eligible for an adjustment under the Congressional Budget Act.

As a result, I am revising the budgetary aggregate for 2016 by \$700 million in budget authority and \$700 million in outlays. I am also revising the 2016 allocations for budget authority and outlays to the Appropriations Committee by \$700 million in budget authority for

the revised nonsecurity category and \$700 million in outlays.

I ask unanimous consent that this notice and the accompanying tables, which provide details about the adjustment, be printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

NOMINATION OBJECTION

Mr. GRASSLEY. Mr. President, I intend to object to any unanimous consent request at the present time relating to the nomination of Brian James Egan, of Maryland, to be Legal Adviser of the Department of State.

I will object because the Department of State has failed to fully respond to almost a dozen outstanding letters dating back to 2013. In addition, on August 20, 2015, my staff met with Department officials in an effort to prioritize material for production. The Department has failed to comply with its commitments, producing material late, failing to provide all requested material, and even failing to provide material to the Senate Judiciary Committee contemporaneously with providing the same documents to Freedom of Information Act requestors.

This past August, I warned the Department that if it failed to change its ways that I would be forced to escalate the scope of my intent to object to unanimous consent requests for Department nominees. Since then, the Homeland Security and Governmental Affairs Committee chairman has joined me in requesting witness interviews of Department employees. Despite the Department's commitment to make witnesses available and assist in the identification of additional relevant witnesses, none of these interviews have actually been scheduled. The Department needs to respond in good faith to the Senate Judiciary Committee and the Homeland Security and Governmental Affairs Committee. Thus far, it has primarily been promises with little or no followthrough. The Department's good faith will be measured in documents delivered and witnesses provided.

My objection is not intended to question the credentials of Mr. Egan in any way. However, the Department must recognize that it has an ongoing obli-

gation to respond to congressional inquiries in a timely and reasonable manner.

ADDITIONAL STATEMENTS

RECOGNIZING THE MARINE MAMMAL CENTER

• Mrs. BOXER. Mr. President, as the Marine Mammal Center, MMC, celebrates its 40th anniversary, I want to congratulate the staff, volunteers, and supporters of this extraordinary center for all they have done for decades to rescue and rehabilitate more than 20,000 marine mammals along our California coast.

MMC was founded in 1975 by a small group of local residents who wanted to aid sick and injured marine mammals such as elephant seals, sea lions, whales, sea otters, and dolphins. Over the years, MMC steadily expanded its efforts to emerge as the only organization authorized by the National Marine Mammal Fisheries Service to rescue ill or injured marine mammals along 600 miles of California coast. This mission has become increasingly important as the effects of climate change threaten our oceans and the marine life that depend on them.

MMC also has a robust scientific research program that serves as an incredible resource for information about mammal care, medicine, and health. MMC offers educational programs that engage the public and enrich science education for children, and their recently renovated headquarters will expand these efforts by allowing visitors to watch rescued animals be cared for at their modern animal hospital facility.

For 40 years, MMC has worked tirelessly to protect our magnificent marine animals, and I know their work will continue to make a profound dif-

ference for this generation and every generation to come.●

CALVARY BAPTIST CHURCH

• Mr. SCOTT. Mr. President, I would like to congratulate and honor Calvary Baptist Church of Charleston, SC, who will celebrate their 150th anniversary on October 10, 2015.

In 1865, the Calvary Baptist Church was founded by Reverend Charles Smalls as the Baptist Church in Charleston. The church is known as a the founding member of the Baptist Education and Missionary Convention of South Carolina and Gethsemane, the first African American Baptist Association in South Carolina.

Calvary was damaged, but not destroyed, by an earthquake in 1886, rebuilt after being burned down in April 1887, and repaired after a 1938 tornado. Commendably, Calvary Baptist Church has endured tough times, but still managed to greatly prosper.

Calvary Baptist Church is an example of a group who remains committed to Christ and community. During the civil rights movement, the church fought for justice and equal opportunity. Their leadership has helped both the Charleston community and our beloved country march forward.

Today, Reverend Arthur Evans, Sr., continues to lead the congregation with praise, love, and worship. Calvary has shown tremendous faith through works of charity, and their honorable legacy will forever be appreciated. I acknowledge with pleasure the church's influence in Charleston and therefore recognize their growth, success, and 150 years rooted in faith.●

OTTAWA UNIVERSITY

• Mr. MORAN. Mr. President, I wish to commemorate the 150th anniversary of

the founding of Ottawa University in Ottawa, KS.

Ottawa University has grown from a single building in 1865 to a comprehensive, global institution of higher learning dedicated to preparing and educating students to have a lifetime of enlightened faith, exemplary service, inspired leadership, and personal growth and significance.

The university traces its roots to a strong partnership between Baptist missionaries and the Ottawa Indian tribe. In 1865, the partnership between members of the Baptist church and the Ottawa Indian tribe, under the leadership of Taub Jones, led to the founding of a school for the benefit of children of the Ottawa Indian tribe. Originally chartered as a boarding school, OU's leaders also recognized the importance of offering a college-level education and having a college to serve as an economic growth engine for the community emerging around the Marais des Cygnes River.

Ottawa University's partnership with the Ottawa Indian tribe remains strong. In 2008, Kevin C. Eichner, president of Ottawa University, and Chief John Ballard of the Ottawa Tribe of Oklahoma, entered into an agreement to grant, in perpetuity, free tuition and room and board to all certified members of the Ottawa tribe who wish to attend the residential college in Ottawa, KS, or any of OU's adult on-ground or online programs. This 2008 agreement has been widely embraced and celebrated by members of the tribe and the faculty, alumni, board members, and friends of OU as emblematic of the institution's core mission and principles and its enduring commitment to maintaining a strong partnership with the Ottawa Indian tribe.

Throughout its history, Ottawa University has pursued an innovative approach to higher education. In the 1970s, OU was among the first universities to embrace a growing demand for programs of higher education specifically tailored to the needs of adult students, opening an adult campus in Kansas City in 1974; Phoenix, AZ, in 1977; Brookfield, WI, in 1992; Jeffersonville, IN, in 2002; and Chandler, AZ, in 2009. In 2008, OU began offering complete degree programs online.

Today, Ottawa University serves more than 5,000 students from 50 States and six countries. The university employs more than 200 faculty and staff who are committed to ensuring that each student receives a high-quality education that honors OU's mission and history. Today there are more than 23,000 distinguished OU graduates serving their communities, professions, and churches around the world.

Congratulations to Ottawa University on the 150th anniversary of its founding, its enduring partnership with the Ottawa Indian tribe, and the achievements of all faculty, staff, students, and alumni who have contributed to the university's success.●

TRIBUTE TO MIKE HORSLEY

● Mr. SESSIONS. Mr. President, it is with great pleasure and the highest regards that I speak on the retirement of my long-time friend and valued constituent James Michael Horsley. Mike announced his retirement as president of the Alabama Hospital Association earlier this year and is planning to transition to his next venture in November.

Mike has had a long and distinguished career with the Alabama Hospital Association and has represented well the interests of hospitals and the patients they serve. His tremendous knowledge of the health care industry has been a valuable resource for members of the Alabama delegation. This knowledge is grounded not only in his 24 years of service to the association but also in his service to the State as commissioner of both the Alabama Medicaid Agency and the Alabama Department of Mental Health. His knowledge of health policy is unparalleled in the State and his expertise will be sorely missed as we continue to discuss the myriad of issues concerning health care delivery.

Not only is Mike well versed in health policy, but he is also a skilled negotiator, who has been able to convene diverse interests and facilitate lasting solutions that benefit all parties. He is respected as a man for his word, with a reputation for being ethical in all of his endeavors.

Mike is a strategic thinker who possesses the ability to find innovative solutions for seemingly insurmountable challenges. Under his leadership, Alabama's hospitals have been able to provide extraordinarily good care with very limited resources. In addition, he has been very active in highlighting the inequalities of the current Medicare wage index payment mechanism and advocating for a change of the broken system. I commend Mike's tireless work to reform the Medicare Area Wage Index, and I am proud to have worked with him on many successful endeavors to improve the wage index. In 2003, after leadership by the Alabama Hospital Association, the Congress passed legislation that improved the wage index for several rural States. The action resulted in payment gains for hospitals in Alabama of approximately \$1 million per hospital per year. The State of Alabama has been lucky to have him as their champion on this issue.

I also want to commend him for his exemplary service to his country as an active member of the U.S. Navy and as a long-time reservist. Mike was a respected intelligence officer who retired at the rank of captain and was responsible for keeping many of our Navy men and women out of harm's way.

In addition to this remarkable career and military service, Mike is also a devoted husband, father, and grandfather. He has been married to Wanda for almost 40 years, and together, they have one son and two grandchildren. In light

of these and all of his many accomplishments, I want to congratulate him on his outstanding career and to wish him the best in his impending retirement.●

PRESIDENTIAL MESSAGE

NOTIFICATION OF THE PRESIDENT'S INTENT TO TERMINATE THE DESIGNATIONS OF SEYCHELLES, URUGUAY, AND VENEZUELA AS BENEFICIARY DEVELOPING COUNTRIES UNDER THE GENERALIZED SYSTEM OF PREFERENCES (GSP) PROGRAM—PM 24

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States which was referred to the Committee on Finance:

To the Congress of the United States:

In accordance with section 502(f)(2) of the Trade Act of 1974, as amended (the "1974 Act") (19 U.S.C. 2462(f)(2)), I am providing notification of my intent to terminate the designations of Seychelles, Uruguay, and Venezuela as beneficiary developing countries under the Generalized System of Preferences (GSP) program. Section 502(e) of the 1974 Act (19 U.S.C. 2462(e)) provides that if the President determines that a beneficiary developing country has become a "high income" country, as defined by the official statistics of the International Bank for Reconstruction and Development of the World Bank (the "World Bank"), the President shall terminate the designation of such country as a beneficiary developing country for purposes of the GSP program, effective on January 1 of the second year following the year in which such determination is made.

Pursuant to section 502(e) of the 1974 Act, I have determined that it is appropriate to terminate the designations of Seychelles, Uruguay, and Venezuela as beneficiary developing countries under the GSP program, because they have become high income countries as defined by the World Bank. Accordingly, their eligibility for trade benefits
